

# Assessment Marking and Feedback

## Learning and Teaching Services

**Duration:** 5 weeks

**Mode(s) of delivery:** Online

**Live sessions:** Throughout the course there will be weekly live sessions which will also be recorded.

**Workload:** 15 hours over a 5-week period

### Introduction

This 5-week course focuses on the challenges faced when supporting student learning in both the provision of feedback and assessment marking and is designed to enable you to enhance your teaching practice in these areas. The course is also designed to engage you in an action learning approach in order for you to better reflect on your practice. Upon successful completion of the course you will receive a **Certificate of Completion**.

### Learning outcomes

On successful completion of this course, you will be able to:

- Discuss the main issues involved in assessment
- Identify strategies to improve feedback
- Identify strategies to improve marking
- Develop and use strategies that will improve your marking and feedback practice
- Identify common student concerns about assessment and develop some strategies for dealing with these

### Course delivery

You will use a range of learning technologies during the course which will be facilitated within Navitas Core Moodle as well as via Zoom (for live sessions). You are required to have access to the Internet. A webcam and headset microphone are also recommended for live sessions.

### Target participants

The course is aimed at staff who are new to teaching, or experienced teaching staff who would like to improve the effectiveness of their existing online teaching practice. The course is a professional development activity available to all staff within Navitas. You will find the course more useful if you have some teaching experience, particularly some experience of marking assessments and providing feedback.

### Weekly study pattern

You are expected to commit a minimum of 15 hours over the 5-week period. On a weekly basis, you will attend or watch a 1-hour live session and engage in 1 hour of reading and 1 hour of individual or group activities; these will include discussions, submitting material for feedback and providing feedback to other participants.

It is expected that you will be actively engaging in activities during each week of the course.

### Professional development framework

Assessment Marking and Feedback is a course about supporting student learning when marking assessments and providing relevant feedback. Other professional development courses which focus on specific aspects of the learning and teaching process are also available and are offered throughout the year. These courses include:

- Effective Teaching at Navitas
- Engagement and Motivation
- Learning Design Essentials
- Blended Learning Essentials
- Moodle Tool Guides
